

# Cihangir Bozdogan

## Front End Developer

London E16 4NJ

[bozdogan.cihangir@gmail.com](mailto:bozdogan.cihangir@gmail.com)

+44 7342759900

Frontend Developer based in London. Nowadays, mostly focused on development, but I like to explore new visual trends. I have hands-on practical experience in developing designs for modern websites for over 7 years.

## Work Experience

---

### Cofounder

Monitorables - London

February 2020 to March 2021

Monitorables is an online market research store aiming specifically at e-commerce industry. I involved handling the business side of the things as well as maintaining the website.

### Front End Developer

Social Swag Digital Agency - London

June 2015 to August 2020

Social Swag is a digital marketing company that focuses on creating content for the web. My duty was to maintain the custom-built content management software. Adding new features, fixing bugs, maintenance of a large codebase using Vue, React and Sass, and collaborating with team members using Git, TeamGantt, Asana, Slack.

### Web Developer & Graphic Designer

Salon Guru - London

January 2015 to February 2016

Building websites, landing pages, html emails, designing banners and social media posts.

Technologies: Html, Css, Javascript, JQuery, Wordpress, MySql, Cpanel, Photoshop, Illustrator, MailChimp.

### Web Developer & Graphic Designer

Master Legal Services - London

November 2014 to June 2015

Maintaining company's website, email marketing, SEO, graphic design, social media posts, Google analytics.

Technologies: Html, Css, Javascript, JQuery, Wordpress, Cpanel, Photoshop, Illustrator.

## Education

---

### Bachelor's in Computer drafting and design

European University of Lefke - Lefke

July 2011 to September 2013

## **A-Level or equivalent in Electrical technician**

Yildirim Technology College - Ankara

October 2008 to June 2012
